

BIBLE CHALLENGE PURPOSE

Bible Challenge (for students in the 1st-12th grade) and Bible Challenge Jr. (for students ages 3 to 5) are Bible-based programs that teach God's Word. The programs focus on teaching components such as books of the Bible, Bible verses, Bible passages, verse search, Bible questions, Bible truth, doctrinal truths, steps to salvation, Bible fill in the blanks and Bible words.

Bible Challenge and Bible Challenge Jr. are designed to teach students the importance of studying and learning the Bible and hiding it in their hearts. Whether they are memorizing a verse or answering a Bible question, these programs teach students the importance of what they have learned and how to apply it to their lives.

At the end of each Bible Challenge year there will be a church, regional, state and national challenge. Students are encouraged to compete with other churches who have also learned God's Word.

We believe through Bible Challenge that students will obtain a foundation to build upon as they continue to grow and study God's Word as adults.
